Preparing Students for the Future with Essential Creative Skills, Adobe Education Exchange

ADOBE EDUCATION EXCHANGE

# Preparing Students for the Future with Essential Creative Skill

## Course Description

In this course, you learned how and why to cultivate your students' essential skills — including the "4 C" skills of creativity, communication, critical thinking, and collaboration.

## Course Completed

March / April 2022

## Learning Objectives

- Understand the importance of creative skills in the classroom as well as in students' lives and future careers.
- Design lessons, activities, and assessments that cultivate essential creative skills in your students.
- Gain access to resources that will help you create engaging learning opportunities for your students.
